Dr G Narahari Sastry calls on CSIR-NEIST community to deliver solutions for improving quality of lives

Dr G Narahari Sastry, Director, CSIR-NEIST addressing the staff members (Seated on the dais: Mr J L Khongsai (left), Administrative Officer and Dr R L Goswamee, Sr Principal Scientist & Head, Materials Science & Technology Division)

After assuming the charge of Director, CSIR-NEIST on 19 February 2019, Dr G Narahari Sastry addressed the staff members on 20 February 2019 at Dr J N Baruah auditorium. Dr Sastry called on CSIR-NEIST fraternity to deliver solutions which are aimed at improving the quality of lives in rural areas with long term sustainable development goals. He emphasized on nurturing persistence and determination while pursuing research in any field. He encouraged all to maintain discipline, transparency and timeliness. For achieving transitional research, one must adopt the 5 Ds i.e Dedication, Diligence, Definitive, Discipline & Documentation, 5 Ts which stands for Trust, Timeliness, Targeted Delivery, Tempo & Transparency and 5 Cs i.e Confidence, Clarity, Commitment, Coordination & Communication, he said. Dr Sastry also stressed that one must actively participate in public engagements & interact more with society so that we realize not only individual dreams but also the dreams of millions of people.

Quoting the famous quote of Robert Frost, *These woods are lovely, dark and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep*, Dr Sastry extended best wishes and appealed to all to work together as a team and converge all our energy for the betterment of the society.
